

We are thankful for our incredible team.

October and November have been busy months here at Blades of Green! Our amazing Lawn Care Technicians were hard at work delivering fall aeration and seeding services and other services to our lawn care clients. Our Pest Control team had record google reviews for their dedication and customer service, and our customer engagement, routing, sales, operations, and talent/culture teams supported one of our busiest times of the year.

Through it all, we found some time to have fun and give back. Check out some highlights of our month below! As we come back from Thanksgiving, we remain thankful for our wonderful team and excited about the new people we will meet in the coming months as we continue to grow and add to our team!

Interested in joining us and growing your career? We are currently hiring for Lawn Care Technicians, Pest Control Technicians, and Plant Health Care Technicians.

Spirit Week 2022

A few weeks back, we celebrated our team with our annual BOG Spirit Week! From Halloween-themed fun on Monday to a luau on Thursday, we had a little fun each day. We also celebrated the end of our referral contest and thanked our team members who brought in referral hires all year with prizes like iPads, televisions, Apple watches, YETI coolers, gift cards, and more!

Food Bank Donations

Last month, our team and clients donated 377 pounds of food to the Anne Arundel County Food Bank. We are so appreciative of the kindness we could help show to the food bank and families in need in our area.

Upcoming Team Events

December 3rd

We are excited to bring Santa Claus to Edgewater again for our annual Brunch with Santa where BOG team members and their families will enjoy brunch and holiday fun.
