# Career & Culture Corner

July 2022

## Our people are our strongest asset.

We are a locally-owned family business that has served our region for 30+ years. We couldn't do what we do without our team of dedicated and talented professionals who work for us.

**So many of our team members come for a job, but stay for a career.**
We want people to grow with us both personally and professionally. We believe in empowering our team members and building our culture together.

We are hiring for **Pest Control Technicians, Lawn Care Technicians,** and **Organic Lawn Care Technicians**. We offer competitive industry pay, great benefits, a fun people-focused culture, and many opportunities for career growth! Just this month, we recognized newer hires as our Employees of the Month for their hard work and dedication to our clients and our team.

## Referral Bonus!

Our people know great people!
When our team members refer someone
to our company, we give out bonuses
to say thank you!

$100 for the referrals' in-person interview
$500 once the referral hits their 90-day mark
$500 once the referral hits their 6-month mark
$1,000 at the referral's one year anniversary

## Team Building on the Water

Our Lawn Care team recently spent an
afternoon together on a charter fishing trip and
caught quite a bit of rockfish.
