

We take care of our people.

As a company whose focus remains on its people and its culture, Blades of Green constantly strives to take care of our people in big and small ways. **Our goal is to give our team members an employment experience like no other from the moment they apply** - from the bigger things (competitive pay and great benefits, career growth, and bonus opportunities), to the smaller things (team barbecues, bringing Kona Ice to our office on a hot day, push-up competitions for charity, and lots more).

We know our people make our work possible, and we try to say thanks as often as we can in different and fun ways. Interested in working with us? We are currently hiring for Lawn Care Technicians, Pest Control Technicians, and Organic Lawn Care Technicians.

Upcoming Culture Events

Giving to our community is a top value of Blades of Green. We are excited to have participated in the **Lighthouse Shelter 5K Walk/Run** a few weeks ago. We walked, ran, and strolled to raise money for the shelter and their homelessness prevention work.
