

*We are lucky to
have our team!*

**HAPPY ST. PATRICK'S DAY FROM
BLADES OF GREEN!**

"Luck is when preparation meets opportunity."

-Unknown

We consider ourselves lucky to do what we do. Our clients trust us to deliver services that protect their families and property. We are lucky to have some of the best team members in the industry who dedicate their time and skills to serve our clients. We are lucky to have one of the industry's best training programs. We are lucky to grow our retention rate each year. And we'd be lucky to have you as a part of our family.

Are you looking for a new opportunity? We are currently hiring the best of the best for **Service Technician** positions. We offer competitive industry pay, bonuses, great benefits, a fun, people-focused culture, and many opportunities for growth!

Annapolis St. Patrick's Day Parade 2023

Our staff and their families turned out for the Annapolis St. Patrick's Day Parade earlier this month! We had a great day marching the parade route and keeping our giant inflatable frog going strong!

Meet one of our Best!

Adam, our Pest Division Manager, has been with Blades of Green for 9 years. He was recently accepted to a national prestigious Executive Leadership Program, run by the National Pest Management Association, a two-year industry program that only accepts 7-15 people nationwide each year. Adam is also instrumental in training and supporting our staff and mentoring team members into new roles among many other things! Congratulations, Adam!

We'd love to connect.

Join us the week of March 27-31 for a virtual hiring event. We have a few slots still open, and would love to see you there! Want to talk to us before then? Click the box below to schedule a call with a member of the Blades of Green HR team.
