

Career & Culture Corner

September 2023

Fall into a career with us!

Here at Blades of Green, we just kicked off our Fall Aeration and Seeding (FAS) season, and we want YOU to be a part of it! This time of the year accounts for over \$2M – and it is when our team’s expertise truly shines. Why join us now? FAS season is the perfect time to start your journey in the lawn care and pest control industry. New team members begin on a small, dedicated crew where they gain invaluable experience, training, and expertise from seasoned BOG team members. FAS season also includes our annual Team Member Appreciation Week - a celebration where we honor the contributions of our team and have some fun each day! If you are ready to embark on a rewarding career with opportunity for growth, please consider joining us for FAS season - and beyond!

Culture Highlights

Snow Cones & Freddy Awards

At Blades of Green, we work hard and believe in showing our appreciation for our team members. Last week, we had Kona Ice on site. While we cooled off and enjoyed treats, we also took a moment to honor some of our team members with Freddy Awards. These annual

awards recognize those who exemplify our company's core values day in and day out through their dedication, integrity, teamwork, and commitment to excellence.

THANK YOU

BOG Summer Internship Team!

AACPS Summer Internships

Did you know Blades of Green is also committed to investing in our future workforce? We are thrilled to announce the completion of our first-ever summer internship program, in partnership with Anne Arundel County Public Schools. We hosted four interns this Summer, who each got a chance to earn while they learned alongside our technicians and office staff.

We make it easy to connect.

Do you want to chat about an open role or have questions about what we do? We'd love to chat with you!
